

# The Audi Q2

The compact SUV is showcasing its progressive character even more clearly with the product upgrade – with an even more striking profile with new headlights on the outside and technology on the inside. The Audi Q2 is a real eye-catcher with unique character.

This pricelist will make it easy for you to build a Q2 that is truly reflective of you, taking you through all the model, engine and option choices. The online configurator is also available to build your dream car.

## Engines and Pricing | Q2

Engine	Fuel type	Transmission	Power output (kW)	Torque (Nm)	Fuel consumption (l/100 km)			CO <sub>2</sub> emissions (g/km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
					Urban	Extra urban	Combined				
35 TFSI Urban Edition	Petrol	tiptronic	110	250	7.5	5.3	6.1	140	8.8	213	R 748,280
35 TFSI Black Edition	Petrol	tiptronic	110	250	7.5	5.3	6.1	140	8.8	213	R 770,980

Fuel consumption and CO<sub>2</sub> data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car. Pricing and specification is valid for vehicles produced from model year 2025 onwards.

\* RRP is inclusive of VAT, CO<sub>2</sub> emissions tax and an optional 5 year/100,000km Audi Freeway Plan

# Important information

## Welcome to Audi

### **Audi Freeway Plan | Motoring Peace of Mind**

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

Recommended retail pricing is inclusive of an optional 5 year/100,000 km Audi Freeway Plan on all new Audi vehicles.

Top-up options to extend maintenance are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

### **Audi Assist | Emergency and Personal Assistance**

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer's roadside assistance vehicle.

Contact details within South Africa:

086 043 4838

Contact details for neighbouring states:

+27 41 994 5616

24 hours a day, 7 days a week

Vehicle model and VIN number will be required.

## Audi Q2 Dimensions

All the measurements you need

Luggage compartment capacity:

405l - behind 2nd seat bench

1050l - with rear seats folded down

### Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. We reserve the right to change prices or specification at any time. All prices shown include VAT, which is currently charged at 15%. Recommended retail pricing is not binding on the dealer and is inclusive of an optional 5 year/100,000km Audi Freeway Plan. Pricing and specification is valid for vehicles produced from model year 2025 onwards.

Please check model availability and full specification details with your Audi Dealership prior to ordering. Neither Audi South Africa nor Audi Dealers can accept contractual responsibility for your reliance on the information contained in this pricelist. Performance figures and specifications relating to Audi vehicles are indicative only and performance cannot be guaranteed. Performance figures and specifications may be updated from time to time, when new test results or other information become available. Your local Audi Dealership can always provide you with the most up-to-date information available. Written and visual depictions (including photographs) of vehicles, are for illustrative purposes only and should not be relied upon. Some illustrations may not accurately reflect South African specifications (including paint and trim colours) and may not be available. If in doubt, always contact your local Audi Dealership.
