# The Audi Q3 Sportback.

The Audi Q3 Sportback is an eye-catcher and the perfect everyday companion. It combines the aesthetics and emotionality of a coupé with the power and functionality of an SUV.

This pricelist will make it easy for you to build your Q3 Sportback, taking you through all the model, engine and option choices. The online configurator is also available to build your dream car.

Note: vehicle depicted may contain equipment not currently available for the South African market.

## Engines

Engine	Capacity	Fuel type	Transmission	Power output (kW)	Torque (Nm)	Fuel consumption (l/100 km)	CO <sub>2</sub> emissions (g/km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
						Combined				
35 TFSI	1 395	Petrol	S tronic	110	250	7.3	167	9.3	205	R 765,700
35 TFSI Black Edition	1 395	Petrol	S tronic	110	250	7.3	167	9.3	205	R 904,650
35 TDI	1 968	Diesel	S tronic	110	360	6.4	167	9.3	203	R 805,800
35 TDI Black Edition	1 968	Diesel	S tronic	110	360	6.4	167	9.4	201	R 950,750
40 TFSI quattro S line	1 984	Petrol	S tronic	132	320	8.3	188	7.8	220	R 855,900

Fuel consumption and CO<sub>2</sub> data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car. Pricing and specification is valid for vehicles produced from model year 2025 onwards.

\* RRP is inclusive of VAT, CO<sub>2</sub> emissions tax and an optional 5 year/100,000km Audi Freeway Plan

## Standard Equipment | Q3 Sportback

### Wheels:

- ▶ 18-inch wheel (Urban Edition)
- ▶ Anti-theft wheel bolts
- ▶ Space-saving spare wheel
- ▶ Tyre pressure monitoring system
- ▶ Trims for alloy wheels

### Performance & suspension:

- ▶ Cruise control system
- ▶ Speed limiter
- ▶ Electronic Stability Control (ESC)
- ▶ Hill descent control
- ▶ Comfort suspension
- ▶ Audi drive select

### Lighting:

- ▶ Headlamp washer system
- ▶ Headlight range control
- ▶ LED headlamps
- ▶ LED rear combination lamps plus
- ▶ Light/rain sensor
- ▶ Separate daytime running lights
- ▶ Interior ambient lighting package

### Exterior equipment:

- ▶ Roof rails in black
- ▶ Body coloured exterior mirror housings
- ▶ Exterior mirrors power adjustable & heated
- ▶ High gloss styling package
- ▶ Rear fog lamps
- ▶ Parking aid rear
- ▶ Standard bumpers with grained add-on parts

### Audio & communication:

- ▶ Audi smartphone interface
- ▶ Audi sound system
- ▶ Audi digital cockpit
- ▶ Voice recognition
- ▶ MMI radio plus
- ▶ Bluetooth interface

### Interior equipment:

- ▶ Auto-dimming interior rearview mirror, frameless
- ▶ Centre armrest in front
- ▶ 2 zone automatic air conditioning system
- ▶ Decorative inserts in Micrometallic silver
- ▶ First aid kit and warning triangle
- ▶ Floor mats in front and rear

- ▶ Headliner in fabric, specific color
- ▶ Leather/leatherette "mono.pur 550" combination
- ▶ ISOFIX child seat anchors and top tether for outer rear seats
- ▶ ISOFIX child seat anchors for front passenger seat
- ▶ Leather-wrapped multi-function Plus steering wheel, 3-spoke
- ▶ Manual luggage compartment lid
- ▶ Non-smoker's package
- ▶ Plastic load edge protection
- ▶ Rear bench seat Plus with center armrest and beverage holder
- ▶ Side airbags in front and curtain airbag system
- ▶ Tool kit and jack
- ▶ Standard seats in front
- ▶ Scuff plates with aluminium inserts, illuminated
- ▶ Dashboard accent surface in black gloss look
- ▶ Anti theft alarm system

## Standard Equipment | Q3 Sportback S line

### Wheels:

- ▶ 18-inch wheel (40 TFSI quattro)
- ▶ 19-inch wheel (Black Edition)
- ▶ Anti-theft wheel bolts
- ▶ Space-saving spare wheel
- ▶ Tyre pressure monitoring system

### Performance & suspension:

- ▶ Audi drive select
- ▶ Cruise control system
- ▶ Speed limiter
- ▶ Electronic Stability Control (ESC)
- ▶ Hill hold assist
- ▶ Hill descent control
- ▶ Sport suspension

### Lighting:

- ▶ Headlamp washer system
- ▶ Headlight range control
- ▶ LED headlamps
- ▶ LED rear combination lamps with dynamic indicators
- ▶ Light/rain sensor
- ▶ Separate daytime running lights
- ▶ Interior ambient lighting package

### Exterior equipment:

- ▶ Roof rails in black
- ▶ Body coloured exterior mirror housings
- ▶ Exterior mirrors power adjustable & heated
- ▶ High gloss styling package
- ▶ Rear fog lamps
- ▶ Parking aid rear
- ▶ Standard bumpers with grained add-on parts

### Audio & communication:

- ▶ Audi smartphone interface
- ▶ Audi sound system
- ▶ Audi digital cockpit
- ▶ Voice recognition
- ▶ MMI radio plus
- ▶ Bluetooth interface

### S line equipment:

- ▶ S line bumpers, wheel arch covers and side skirts in full paint finish
- ▶ Radiator grille in titanium black
- ▶ Radiator grille slats in aluminium silver matt
- ▶ Frame of the side air intakes in front in Platinum grey matt
- ▶ Blade of the front spoiler in platinum grey
- ▶ Front spoiler in full paint finish
- ▶ Diffuser in titanium black matt
- ▶ Grille diffuser in matte black
- ▶ Insert in the sill in platinum grey matt
- ▶ Door sills with aluminium inserts in front, illuminated, with S lettering
- ▶ Load sill protection in stainless steel
- ▶ S line emblem on outer fenders

(Interior equipment continued on following page)

## Standard Equipment | Q3 Sportback S line (cont...)

### Interior equipment:

- Auto-dimming interior rearview mirror, frameless
- Centre armrest in front
- 2 zone automatic air conditioning system
- Decorative inserts in Micrometallic silver
- Leather/Leatherette seat upholstery
- First aid kit and warning triangle
- Floor mats in front and rear
- Headliner in Moon silver fabric
- ISOFIX child seat anchors and top tether for outer rear seats
- ISOFIX child seat anchors for front passenger seat
- Front seats manually adjustable
- Leather-wrapped steering wheel, 3-spoke, with multi-function Plus
- Manual luggage compartment lid
- Non-smoker's package
- Plastic load edge protection
- Rear seat bench plus with centre armrest and beverage holder
- Side airbags in front and curtain airbag system
- Tool kit and jack
- Standard seats
- Scuff plates with aluminium inserts, illuminated
- Dashboard accent surface in black gloss look
- Anti theft alarm system

<u>Lighting:</u>				
PXC	<b>Matrix LED headlights</b> Provides precise illumination of the road whilst reducing the risk of dazzling other road users. Using information obtained from the vehicle's sensors, camera and MMI Navigation (if equipped), it identifies the appropriate lighting required. Using these sources, Matrix LED dips or fully extinguishes individual lighting diodes when vehicles are detected ahead. Matrix LED calculates the appropriate lighting required and automatically dips or turns off individual lighting diodes, creating corridors of light either side of the vehicle or the object in front of it. Includes dynamic front and rear indicators which sweep from inside to out.	R 7,560	---	R 7,560
8G1	<b>High-beam assist</b> Within system limits, high-beam assist detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. Depending on the traffic situation, the high beam automatically adjusts to dipped beam and vice versa. The system improves the driver's visibility and brings added comfort and convenience. Only available in conjunction with 6I2/6I3/6I6.	R 2,420	---	R 2,420

9S9	Audi virtual cockpit plus	No cost	---	No cost
PNA+ IT3+EL5	MMI navigation plus MIB3	No cost	---	No cost
<u>Assistance systems:</u>				
PCG	<b>Adaptive cruise control</b> Maintains speed and distance to the vehicle in front; Audi pre sense warns when critical driving situations are detected and reduces the risk of collision. With the help of a radar sensor, it detects vehicles driving ahead within the system limits and keeps the speed and distance within the control range largely constant. The control range is 0 to 200 km / h. In stop & go traffic, vehicles can brake to a standstill and, under certain conditions, start again automatically. Operation is via a separate steering column stalk. The distance can be set in five stages, the dynamics of the system can be regulated via Audi drive select or the ACC menu.	R 13,300	R 13,300	R 13,300
7W1	<b>Audi pre sense basic</b> Where necessary, actions are taken to help protect the driver and passengers if a potential collision is detected. These include seat belt tightening (front seats) and closing the windows and sunroof (if fitted).	R 3,400	---	R 3,400
7Y1	<b>Lane change assistant</b> The lane change assistant can help avoid collisions in critical traffic situations and supports the driver within system limits when changing lanes (functional range from approx. 15 to a maximum of 250 km / h). The lane change assistant uses two radar sensors to measure the distance and the speed difference between the detected vehicles approaching from behind and your own vehicle. If the speed difference and the distance from the lane change assistant are classified as critical for a lane change, a display is made in the respective exterior mirror.	R 8,700	R 8,700	R 8,700

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply.

## Optional equipment | Q3 Sportback

<u>Assistance systems:</u>		35 TFSI/TDI	35 TFSI/TDI Black Edition	40 TFSI quattro S line
6I2	<b>Lane keeping system plus traffic jam assist</b> The adaptive driving assistant combines the functionality of the adaptive speed assistant with the lane guidance assistant. The adaptive driver assistant supports the driver in accelerating, braking and maintaining speed and distance as well as in lane guidance. This can increase driving comfort, especially on long journeys. The system maintains the speed and distance to the vehicle in front using the adaptive speed assistant and provides gentle, corrective steering interventions to comfortably maintain the lane in the entire speed range from 0-210 km / h. At the same time, the set speed is kept constant and the system reacts to vehicles in front with a distance control.	R 6,200	---	R 6,200
6I6	<b>Lane keeping system plus with traffic jam assist and emergency assist</b> Functionality of 6I2 with the addition of emergency assist. The emergency assistant is an extension of the adaptive driver assistant or the lane departure warning and recognizes within the system limits when the driver is inactive. In such cases, it warns the driver optically, acoustically and haptically. If there is no reaction from the driver, the system takes control of the vehicle and automatically brings it to a standstill in its own lane, and the hazard warning lights are activated. Only in conjunction with Adaptive cruise control (PCG) at additional cost.	R 6,500	---	R 6,500
6I3	<b>Lane departure warning</b> Assists to avoid unintentionally leaving the lane, within system limits. If the system is activated and ready and the driver has not set the indicator, the lane departure warning helps to avoid driving over recognized lane delimitation lines through corrective steering interventions. An additional steering wheel vibration can be set at the driver's request. Functional range from approx. 60 to a maximum of 250 km/h.	R 5,500	---	R 5,500
7X2	<b>Parking system plus</b> Acoustic and visual park assist system for the front and rear with the MMI screen display showing a graphic representation of the distance to any obstacles detected outside and within the driving path. Measure measurement is by ultrasonic sensors concealed in the bumpers.	R 6,180	S	R 6,180
KA2	<b>Rearview camera</b> An image of the area behind the vehicle is shown in the MMI display with dynamic display modes highlighting the calculated path or steering angle.	R 7,000	S	R 7,000

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply.

## Important information

### Welcome to Audi

#### **Audi Freeway Plan | Motoring Peace of Mind**

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

Recommended retail pricing is inclusive of an optional 5 year/100,000 km Audi Freeway Plan on all new Audi vehicles.

Top-up options to extend maintenance are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

#### **Audi Assist | Emergency and Personal Assistance**

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer's roadside assistance vehicle.

Contact details within South Africa:  
086 043 4838

Contact details for neighbouring states:  
+27 41 994 5616

24 hours a day, 7 days a week  
Vehicle model and VIN number will be required.

## Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. We reserve the right to change prices or specification at any time. All prices shown include VAT, which is currently charged at 15%. Recommended retail pricing is not binding on the dealer and is inclusive of an optional 5 year/100,000km Audi Freeway Plan. Pricing and specification is valid for vehicles produced from model year 2025 onwards.

Please check model availability and full specification details with your Audi Dealership prior to ordering. Neither Audi South Africa nor Audi Dealers can accept contractual responsibility for your reliance on the information contained in this pricelist. Performance figures and specifications relating to Audi vehicles are indicative only and performance cannot be guaranteed. Performance figures and specifications may be updated from time to time, when new test results or other information become available. Your local Audi Dealership can always provide you with the most up-to-date information available. Written and visual depictions (including photographs) of vehicles, are for illustrative purposes only and should not be relied upon. Some illustrations may not accurately reflect South African specifications (including paint and trim colours) and may not be available. If in doubt, always contact your local Audi Dealership.
