

RS 6 Avant Performance

RS 7 Sportback Performance

The Audi RS 6 Avant Performance & RS 7 Sportback Performance

More powerful and faster than any RS 6 and RS 7 to date: new Audi RS 6 Avant performance and the RS 7 Sportback performance are bursting with extras that sharpen the models appearance and make for a more emotive driving experience. The potent 4.0-liter V8 biturbo TFSI engine now has an engine power of 463 kW and a maximum torque of 850 Nm.

This pricelist will make it easy for you to build your preferred bodystyle, taking you through all the option choices. The online configurator is also available to build your dream car.

RS 6 Avant Performance | RS 7 Sportback Performance

Engine and Pricing | RS 6 & RS 7

Engine	Fuel type	Transmission	Power output (kW)	Torque (Nm)	Fuel consumption (l/100 km)			CO ₂ emissions (g/km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
					Urban	Extra urban	Combined				
RS 6 Avant TFSI quattro Performance	Petrol	tiptronic	463	850	15.8	9.1	11.6	264	3.4	250	R 2,417,800
RS 7 Sportback TFSI quattro Performance	Petrol	tiptronic	463	850	15.7	8.9	11.4	260	3.4	250	R 2,532,600

Fuel consumption and CO₂ data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car. Pricing and specification is valid for vehicles produced from model year 2025 onwards.

* RRP is inclusive of VAT, CO₂ emissions tax and an optional 5 year/100,000km Audi Freeway Plan

Standard Equipment

Wheels:

- ▶ Anti-theft wheel bolts and loose wheel warning
- ▶ Direct tyre pressure monitoring system
- ▶ tyre mobility system
- ▶ tyres 285/30 ZR22 101Y xl

R118,500	R118,500

Optional extras

Assistance systems		RS 6 Avant	RS 7 Sportback
6K8	Audi pre sense front Audi pre sense front warns of collisions and reduces speed in an emergency. It uses the data from the front camera and calculates the likelihood of a rear-end collision; can warn of impending collisions within the system limits, depending on the situation and speed, and initiate appropriate braking. The system is active from approx. 5 km/h. Pedestrians and cyclists can be detected in a speed range of up to approx. 85 km/h and vehicles in a speed range of up to 250 km/h. If an impending front-end collision is detected, the system warns the driver optically, acoustically and haptically in a multi-stage concept. If necessary, braking assistance or full deceleration can be initiated in order to reduce the speed or avoid a collision under certain circumstances.	R9,000	R9,000
KS1	Head-up display Projects driving-relevant information directly into the driver's field of vision.	R25,130	R25,130
PCH	Side Assist incl. Audi pre sense rear, exit warning system and rear cross traffic assist A combination of assistance packages for support in critical traffic situations: • Side Assist: supports the driver in monitoring the blind spot and the traffic behind the vehicle. • Exit warning: warns of a possible collision with traffic coming from behind when the door is open & the vehicle is stationary. • Rear cross traffic assistant: warns of a possible collision with approaching cross traffic when reversing up to 10 km/h.	R15,700	R15,700
9R1	Night vision assistant The night vision assistant improves difficult visibility in the dark through electronic visualization of the area around the road. The system supports the driver when driving at night by displaying a thermal image of the surroundings. Recognized people and larger wild animals are highlighted in yellow in the driver information system.	R38,930	R38,930
PCV	Park Assist package with park assist plus The package contains assistance systems that can make parking and maneuvering more convenient through surrounding cameras. Four wide-angled surrounding cameras cover the entire area immediately around the vehicle and enable a variety of different views for even more comfortable maneuvering. The views can be controlled via the upper MMI display. The parking assistant plus which is activated via the P button in the center console enables parking in and out of parking spaces. The vehicle takes over steering, acceleration, braking and switching off the engine.	R22,000	R22,000

Optional extras

Assistance systems			
PCC	Assist Package Tour The assist package Tour includes the following assist systems: · adaptive cruise assist · adaptive cruise control · active lane assist · efficiency assist · turn assist · swerve assist · camera-based traffic sign recognition¹ · ² · emergency assist · Audi pre sense front	R41,700	R41,700

4X9	Audi pre sense rear package	R6,400	R6,400

Important information

Welcome to Audi

Audi Freeway Plan | Motoring Peace of Mind

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

Recommended retail pricing is inclusive of an optional 5 year/100,000 km Audi Freeway Plan on all new Audi vehicles.

Top-up options to extend maintenance are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

Audi Assist | Emergency and Personal Assistance

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer's roadside assistance vehicle.
