Ellipse	640						3.500
Ellipse + Car delivery	1.500						10.000

The room rents are exclusive of VAT.

Full-day rental will be charged when a booking exceeds the time limit of 1 pm. (e.g. from 11:00 am to 3:00 pm)

The prices include the seating of the room, the use of technical installation (video, audio), the available conference equipment (flipchart/Metaplan walls) as well as basic support for the installation of room technology.

Additional technology and support of the event by a technician will be charged separately.

The prices include the use of the foyer in front of each respective room in the facilities available on-site. Other seating arrangements are additionally calculated according to time and expense.
