SQ5

Audi SQ5 Australian Specifications

SQ5 TDI

Technical data

Engine type	6-cylinder diesel engine with turbocharging, EPC and 48V Mild Hybrid Electric Vehicle technology (MHEV)
Capacity (cc)	2,967
Power (kW/rpm)	251 / 3,800 – 3,950
Torque (Nm/rpm)	700 / 1,750 – 3,250
Driveline	quattro
Transmission	8-speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100 km/h [°]	5.1
Top speed (km/h) [°]	250
Unladen weight in kg ¹	2,085
Maximum towing weight (braked) in kg	2,000
Maximum down ball weight in kg	200
Fuel consumption (combined)	
▶ Litres per 100km	7.0 ^Δ
▶ CO ₂ emissions grams per km	185 ^Δ

Safety²

Active bonnet	●
Airbags (eight in total) front airbags for driver and passenger, side airbags for front and rear passengers, head level curtain airbag for front and rear	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●
Audi pre-sense city with Autonomous Emergency Braking and pedestrian detection – detects impending collisions at up to 85 km/h and can reduce speed by up to 40 km/h ²	●
Audi pre-sense front – provides extended collision warnings and emergency braking up to the maximum vehicle speed ²	●
Audi pre-sense rear – helps to mitigate rear-end collisions within system limits through a series of measures including flashing the hazard lights at high frequency to warn the surrounding traffic ²	●
Electromechanical parking brake	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●
First aid kit, warning triangle and high visibility vests	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●
Hill descent control	●
Seat belts at front and outer rear with pre-tensioners and belt force limiters; 3 point seat belts for all passengers	●
Seat belt reminders for all passengers	●
Tyre pressure loss indicator	●

● = Standard | * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

^Δ Figures are calculated on the basis of 21 inch wheels. Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[°] Please note figures are sourced from overseas data where equipment levels by model variant may vary.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

Δ Figures are calculated on the basis of 21 inch wheels. Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

‡ The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

◇ Please note figures are sourced from overseas data where equipment levels by model variant may vary.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi service request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

8 Leather appointed seat upholstery has a combination of genuine and artificial leather, but are not wholly leather.

Vehicle pictured is an overseas SQ5 TDI with optional equipment.
