

# The Audi A6 Sedan

## Impressive light experience.

The optional HD Matrix LED lighting technology reflects the inherently advanced nature of the Audi A6 providing precise yet adaptable illumination and reducing dazzle from oncoming vehicles. Signature dynamic light sequencing options allow you to customise your vehicle to reflect your individual style and poise.

## Quintessential luxury

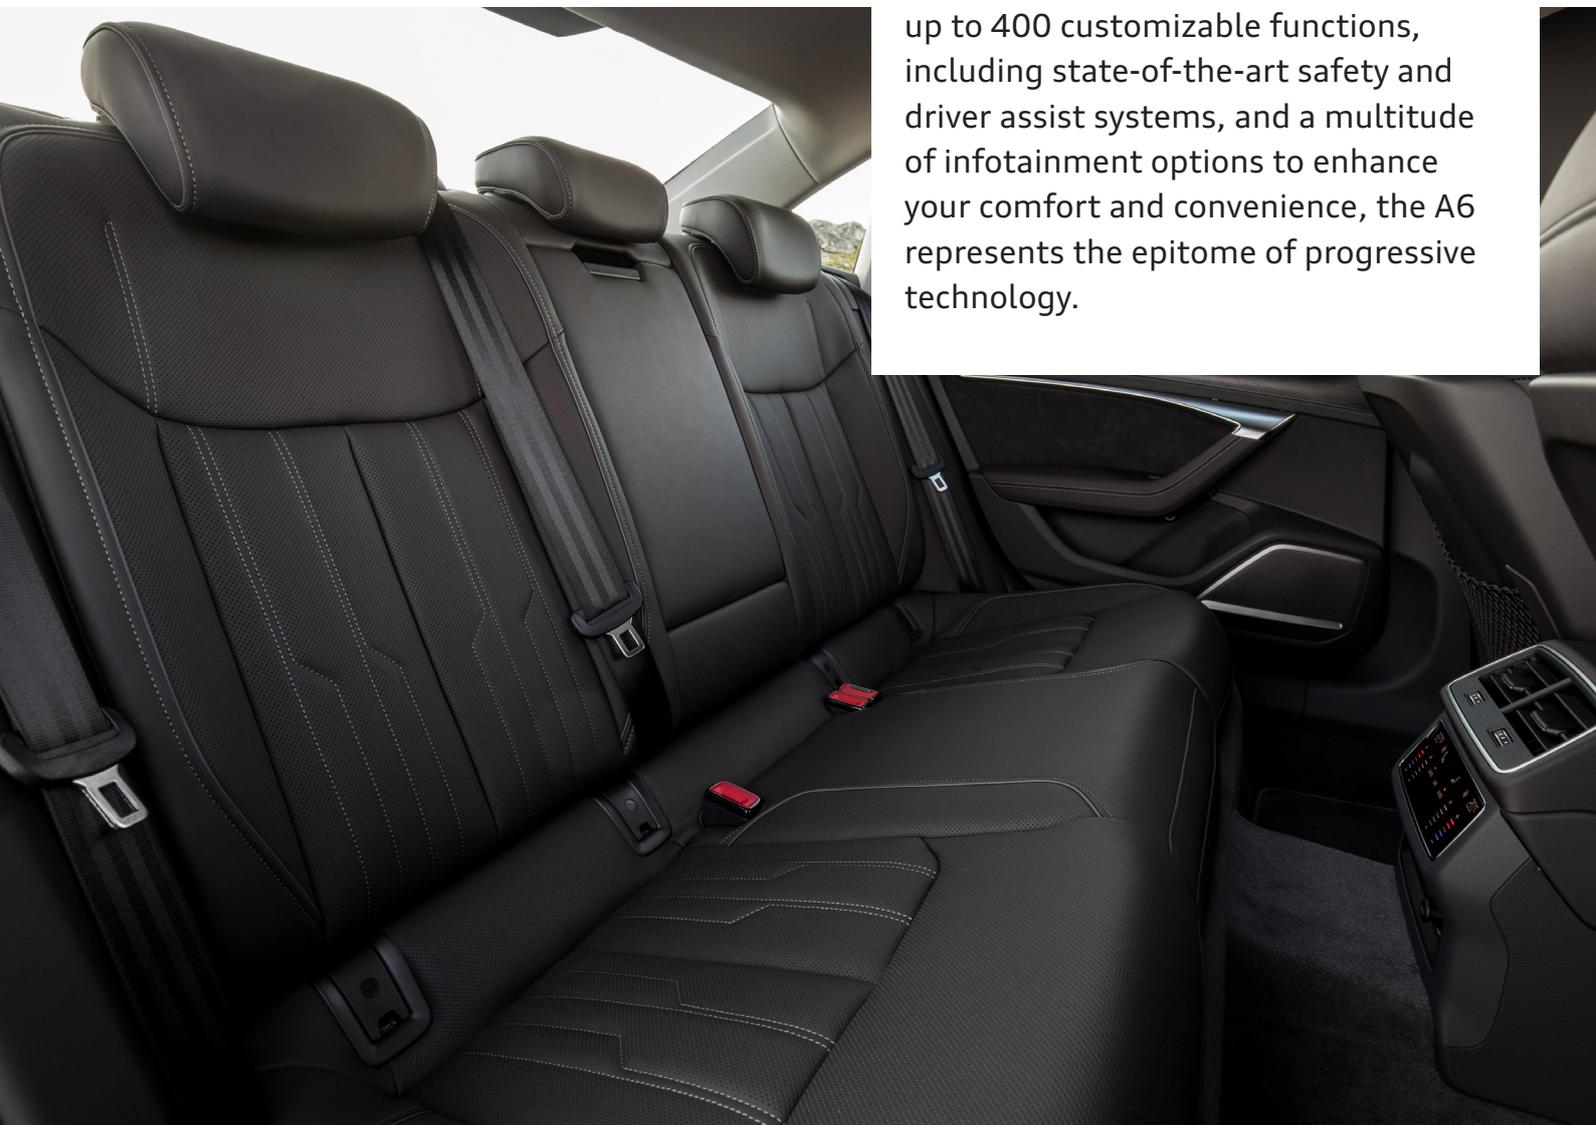

The executive class Audi A6 offers extended interior length creating expansive legroom for passengers. There is also more head and shoulder room and thanks to its masterful build quality and superior aerodynamics, it delivers a supremely comfortable cruise making it the ultimate motorway companion.

## Experience the future

The MMI touch response system puts the Audi A6 at the cutting edge of assisted driving technology. With up to 400 customizable functions, including state-of-the-art safety and driver assist systems, and a multitude of infotainment options to enhance your comfort and convenience, the A6 represents the epitome of progressive technology.

# Technical specifications

With intuitive, integrated, and universal technologies, innovation has a new benchmark. Progress shouldn't be made to wait. Progress puts us in the driver's seat and connects us to our future journeys.
