

# The Audi S4

## Art meets science

It's the subtle touches that elevate the Audi S4 into a class of its own: Expanded air inlets filled with honeycomb grilles are encapsulated in glinting silver frames. Strongly contoured sills sweep the length of the vehicle with clinical precision and a suggestive intake below the hood hints at the power within. The S4 is a visual symbiosis of art and science.

## Smooth and lightning-fast

A three-litre V6 engine coupled with an eight-speed tiptronic gearbox in the Audi S4 translates to comfortable, highly efficient gear shifting and the sprint from 0-100km/h in a racy 5.1 seconds. Experience the progressive S character.

## Know yourself

The Audi S4 is crystal clear about its identity. Sports seats with S embossing in optional fine Nappa leather, pedal caps in stainless steel, and a perforated leather steering wheel; all for maximum comfort and control. The S4 is on full display.

# Technical specifications

The symbol of innovation and technology, a masterful blend of past traditions and cutting-edge technology. The Audi S4 makes a big statement.

## Engine

---

<b>Engine type</b>	6-cylinder petrol with direct fuel injection, turbo-charging and Audi valvelift
