

Q3 Sportback

URBAN

whatever that means.

Intro / The skyline at night. The first rays of sunlight over the rooftops. Morning coffee with a view. The best bar in the country. Taking the long suspension bridge to work. Heading back home again after a day's work. Going to play sport at 1.30 p.m. Going to the club at 4.00 p.m. The smell of curry. Bass beats from the speakers. Bach in the concert hall. The hottest DJ at the open-air festival. Theatre. Dance. 50 countries. 50,000 restaurants. The city motorway at night. The energy. This attitude to life.

What does big city mean for you? Urban/ whatever that means.

URBAN/ whatever that means.

Wild. Colourful. Loud. Exciting. The big city has many facets and never stands still. Just like the new Audi Q3 Sportback. With its extroverted design, it confidently rises to any challenge. Inspired by the legendary Audi Rallye spirit, this sporty, progressive SUV coupé combines plenty of fun at the wheel with superb everyday utility. So it doesn't matter what city life means for you and what you're planning to do today: the new Q3 Sportback is ready for anything.

Night/
the
brightest
time of
day.

Matrix LED / Turn night into day:
with its optional Matrix LED headlights,
the new Audi Q3 Sportback is amazingly
vibrant – just when everyone else is
turning the lights off. Together with the
new octagonal Singleframe grille and
the dynamic air inlets, the front end of
this adventurer is heading in only one
direction: forward.

Extroverted/
from the inside.

Interior / Simply tailor the interior of the new Audi Q3 Sportback to your own character. With the optional interior design selection and the optional interior S line, you can design your Q3 Sportback to suit your own taste. The high-quality interior elements in Alcantara, for instance, are available in various colours, including lunar silver as an exclusive new option for this model. A large selection of different inlays also emphasises the versatility of the new Q3 Sportback. And the ambient lighting in 30 colours provides the right mood in any situation, while the optional B&O Premium Sound System delivers the perfect urban beat – with a powerful 3D effect.

Connected/
to the real world.

Connectivity / The digital cockpit provides new connections – to the road, to the city and to the rest of the world. After all, the Q3 Sportback incorporates the latest infotainment generation from the full-size class. It comes with an impressive 12.3-inch Audi virtual cockpit plus with its pin-sharp animations and the 10.1-inch MMI touch adds the finishing touch to the digital world of the Q3 Sportback.

Thanks to various interfaces and ports, it's easy to connect your compatible mobile devices with your vehicle. The optional Audi phone box light offers maximum convenience when making and receiving calls – and with Audi connect services, you can use many digital features conveniently and intuitively.

Summer/
365 days
long.

Performance / The standard progressive steering together with the optional sport suspension ensures even more dynamic handling, particularly when cornering. And with Audi drive select you can decide for yourself how sporty, comfortable or economical your car is – all at the push of a button.

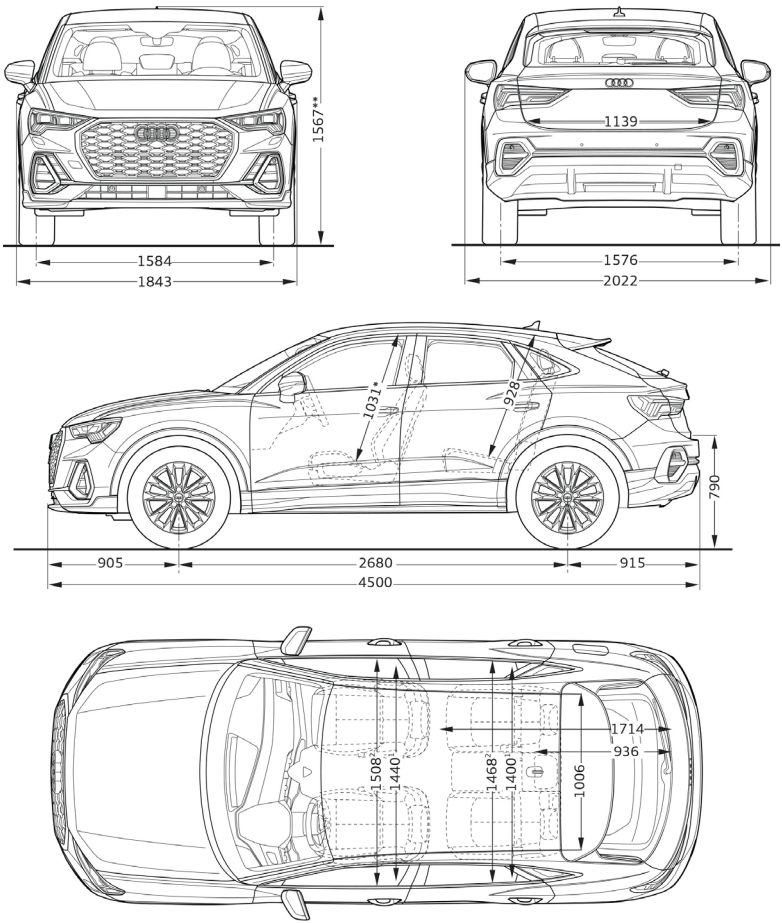

See/
and
be seen.

Assist systems / The new Q3 Sportback makes you feel great all the time. After all, its numerous assist systems¹ make your very own big city adventure more comfortable and convenient. These include the adaptive cruise assist available at speeds between 0 and 200 km/h, which combines the functionality of the adaptive cruise control with the lane departure warning. The surround view cameras provide you with a clear 360° all-round view. And the Audi pre sense front helps you in unforeseen circumstances.

¹ Please note that the systems assist the driver only within relevant system limits. The driver remains responsible for driving the vehicle and is required to be attentive at all times.
