* The 24 month warranty period starts from the date of purchase. Some components are covered directly by the component manufacturers warranty (e.g.: motor, brakes, shock absorber, forks). These components are not covered by Fantic's conventional warranty, however your Fantic dealer will be able to provide more information and support.

The Audi electric mountain bike is approved for use on Non-public roads. Certain restrictions may apply to using a non-road vehicle on public roads or road related areas. Please check with your state or territory transport authority for further information about any requirements. This is a manufacturer's specification sheet and new Audi electric mountain bikes powered by Fantic must be purchased from authorised Audi dealers. Specifications are planned as of Aug, 2023 production and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi New Zealand, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. For individual pricing and to confirm the specifications of your Audi electric mountain bike please contact your authorised Audi dealer.
