With the sound of a V10 engine behind your ears, the Audi R8 Performance excites all the senses. The sports exhaust takes a menacing growl and turns it into a visceral roar.

Powerful air inlets, a wide Singleframe, the fixed wing in carbon and the visible mid-engine makes performance plain to see.

A large contoured arch brings all the controls together, echoing the driver focused design of a monoposto. The R8 bucket seats in fine Nappa leather ensures very good lateral support.
