

The Audi S3

Ready to drive

Introducing the Audi S3

 310hp

 250km/h

 400Nm

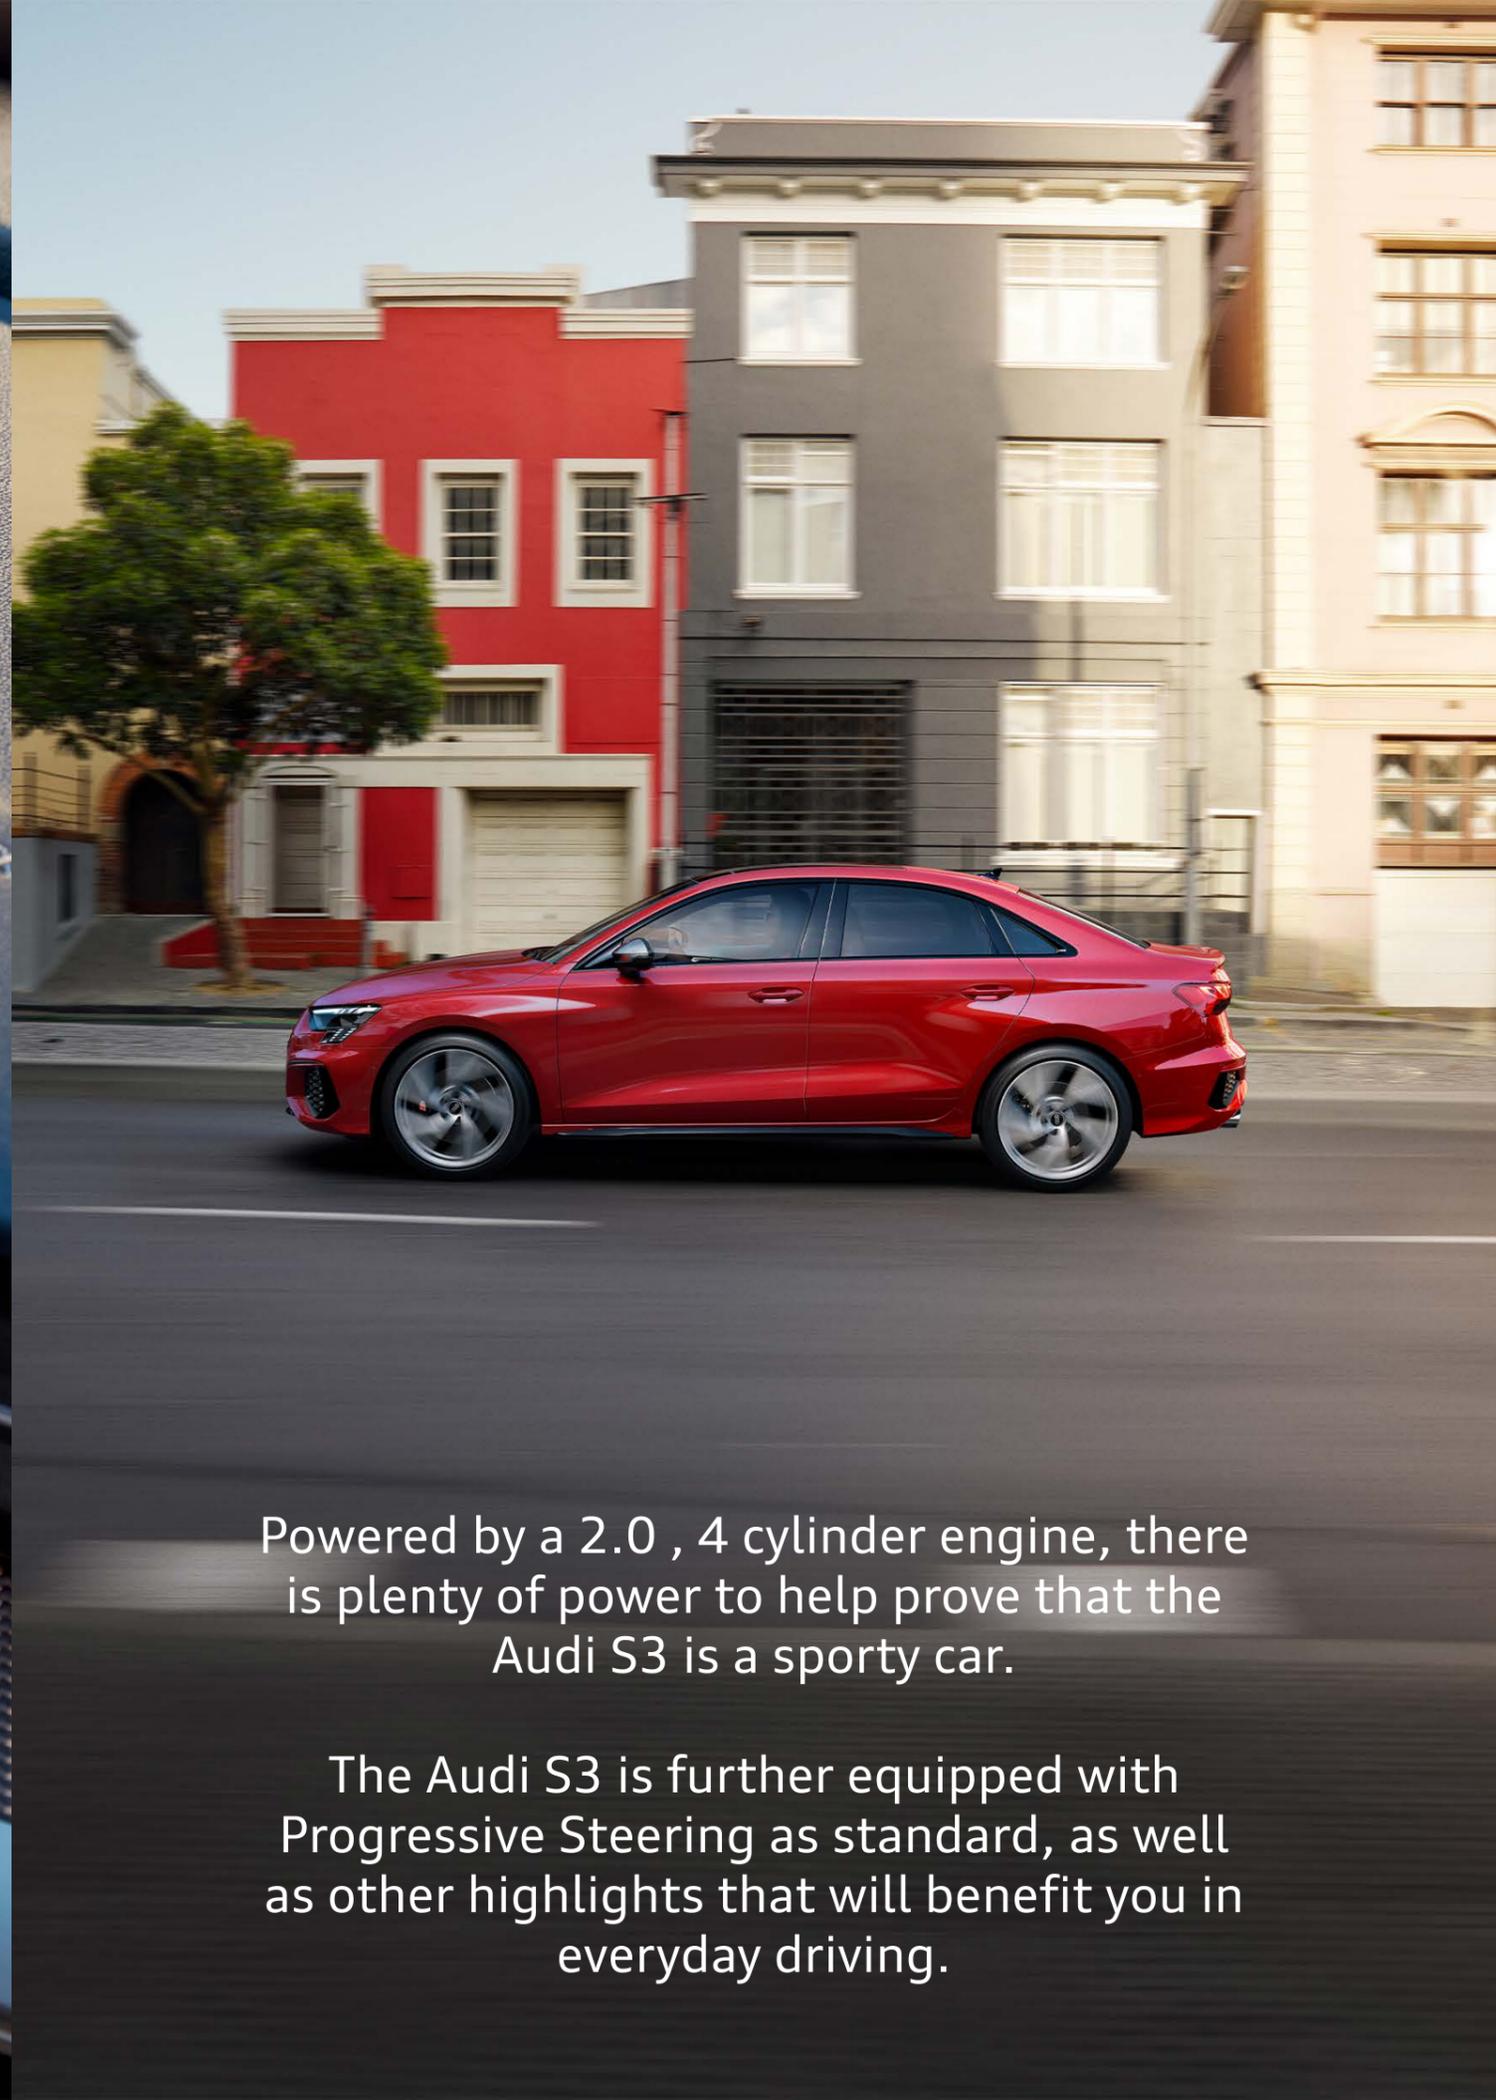

The elegant way to flex your muscles

The precise design, elegant rear and S-specific element of the Audi S3 sedan underscores its sportiness.

 quattro All Wheel Drive

The Audi S3 Sedan is equipped for fast manoeuvres, with quattro all-wheel drive as standard providing excellent traction and the S sport suspension for sportier handling.

Powered by a 2.0 , 4 cylinder engine, there is plenty of power to help prove that the Audi S3 is a sporty car.

The Audi S3 is further equipped with Progressive Steering as standard, as well as other highlights that will benefit you in everyday driving.

Best in class spacious interior.

Sporty genes in the interior as well.

The S-specific elements such as the front sport seats offer outstanding lateral support and the flattened sports contour leather steering wheel in 3-spoke design with multifunction plus and shift paddles give the car that sporty edge.

The MMI Navigation plus with MMI touch in combination with the Audi virtual cockpit plus provides you with a clear overview of all vehicle information and maps.

A close-up photograph of a car's interior, focusing on a speaker. The speaker is a rectangular, perforated grille with a silver-colored metal plate above it that has the text "BANG & OLUFSEN" engraved on it. The surrounding car interior is upholstered in dark, textured leather. In the upper right, a portion of a gear shift lever is visible, featuring red stitching. The lighting is dramatic, highlighting the textures of the leather and the speaker grille.

Sounds like you're in a movie.

The interior of the Audi S3 features the Bang and Olufsen surround sound that is sure to captivate anyone in the car as it not only sounds good, but it sounds immersive.

Ensuring your safety on the road, the Audi S3 is fitted with a suite of safety features.
